# A MODERN BEDROOM WITH AN AUTUMN VIBE

[domkapa.com](https://domkapa.com) | [info@domkapa.pt](mailto:info@domkapa.pt)

Autumn is almost here, and we decided to bring you some *au naturel* inspiration with an **autumn vibe** to cheer up your mood and lift your creativity at its best.

This cosy modern bedroom has the perfect amount of comfort and style and blends a natural colour scheme with textures in the right way. As you can see, an unusual combination of pieces brings out the best of the architectural structure of the space.

The furniture selection incorporates **comfort** and **high-quality materials** giving to the final result the opportunity to create a **memorable** design.

Interior design makes the world even more beautiful, and we dare you to join us to dig into this lovely sanctuary and find out what makes it so special.

This timeless atmosphere starts with the centre of attention: Shelby Bed.

Inspired by the *geometric lines, angles, and shapes* we all love, Shelby Bed features an upholstered frame complemented by the upholstered structure and its lines. This highly functional piece will ensure you a comfortable and refined discovery journey through an illusion of dimension, making your room look bigger.

Shelby Bed guarantees perfect **comfort** while keeping your bedroom project **harmonious** and stylish.

Discreetly next to Shelby Bed, Inside Side Table provides the room with the functionality it needed. It is versatile as you can place it in every space to give it a unique look. A contemporary design with an industrial sense for the most demanding scenarios.

Speaking of functionality, Angles Pouf is the must-have for every decoration.

It promises to be the eye-catching upholstery for its peculiar shape, embodying comfort, and boldness together in one piece. Angles is fun to combine with other shapes and it still doesn't go unnoticed.
