**A NEW DESIGN ERA
IS BORN**

domkapa.com | info@domkapa.pt

That's right: embracing innovation is now possible with a new **design** era created for you to accomplish memorable **interior design** projects. These new pieces are all about elegant shapes without giving up ergonomic **comfort** and, of course, the expectable **high-quality** and **craftsmanship** that Domkapa values so much.

Upholstery is always our best shot so get ready to experience some cozy home updates full of glamour and clean lines.

Armchairs

Alexander Armchair

Alexander Armchair is a **timeless** solution where **functionality** and **modernism** connect especially because of its additional support padding in the back, held up by a metallic opulent counterweight, that can be adjusted in height and produced in a different finish.

This one-of-a-kind piece, which reminds us of an escape to the desert, is a smooth option for you to exceed expectations.

Chairs

Carter Chair

Carter the result of matching **traditional** and **contemporary** lines ideal for multifunctional spaces. It provides **comfortable seating** provided by its cushion resting on a solid wood structure.

Across the upholstered chair, double-top stitching divides the back of the piece for a **timeless** look. And who doesn't want a **timeless** look?

Louise Chair

Louise Chair matches any **decor** and will enhance every room because of its robust **design** that exhales confidence and character. A strong statement of **comfort** is provided by its back and seat fully upholstered for a relaxing experience. A lovely dining chair for you and your family dining together.

Sofas

Juliet Sofa

The concept of **elegance**, **comfort**, and **intimacy** brought us to Juliet Sofa. A rounded **seating** with balanced proportions, perfect to set the mood in **contemporary** projects. The highlight of this piece is represented by the upholstered slopes, emphasized by horizontal bands of **haute-couture** stitching.

Parker Sofa

Parker expresses a **straightforward aesthetics** complemented by generous and welcoming proportions turning it a work of art. Allowing great **comfort**, this **upholstery** item can match the need of multiple styles and demands.

Poufs

Grant Pouf

Grant Pouf is the result of a combination of **aesthetics** and **ergonomics**. It enhances the socialization feel in every zen space making it the go-to solution. It is available in three sizes and it features **elegant** piping in each corner, gracefully matching the two contrast piping that carefully hugs the entire pouf.

You'll never regret getting the final look you've always dreamed of.

Colbert Bench

It's time for our Colbert to shine and be bold - A **discreet** and **elegant** bench perfect for **contemporary home decor**. Characterized by a metallic t-shape base with four **metal** legs, this refined complementary piece goes along well with every type of **furniture** (or even alone!), combining **functionality** and **style**.

For a good night of sweet dreams in beautiful bedrooms, we launched a selection of three marvelous beds. Take a look:
