**A SUSTAINABLE SUMMER IN
SOME ORANGE TONES**

domkapa.com | info@domkapa.pt

There are a million ways for you to level up your home decor, you just need **the right inspiration**.

This gold dust of a **powerful** and multi-functional dining room hosts special pieces and wide windows to give a sensation of an **outdoor living** area.

Orange is a refreshing twist, well used for the ones who like to play it safe. It is perfect for a vibe of a sustainable summer and to leave your home décor prepared for the autumn season. But this is not the only reason why this room is **multifunctional**: it also features a **personal space** for you to get rid of the stress and appreciate nature or read a book. A multifunctional space that claims perfectly paired tones that reflect the individual's life and style.

For this soothing sanctuary, Greta Armchair meets a **trendy** design and convenience, introducing harmony to this magnificent design piece.

Greta measured proportions perfectly to balance thickness and straight lines for a beautiful aesthetic result. Across this ergonomic piece, many stitching is found to increase its **durability** and **charm**.

Infinite customization options are available to make sure Greta Armchair is the perfect solution for your space. Think pink and place it into your bedroom design – it will do wonders!

The dining room is nearby to combine **functionality** and your social side: it is ready to receive your guests and to taste a delicious meal with a view. Your friends and family will love it, especially

domkapa

because of the lovely Essential Chair that provides them **comfort** with a clean design that cannot go unnoticed.

This dining room space is connected to outdoor living to show you how you can use the interior design trends of this year in your own way. A powerful space that will make you fall in love every single time you experience it.
