ANNA CHAIR
NOTHING BUT ORDINARY

domkapa.com | info@domkapa.pt

If you need to make your home more sociable, you should start with the dining room. After all, it is where we gather our family and friends to create lovely memories around a table and enjoy a delicious meal – two of the best things in life.

Also, if we want to make a change in the world, we need to make better choices by looking for **timeless furniture**, one that lives longer. This way, even in the winter season we will be trendy and care about our future.

This **inspiring** dining room is an example of **trendy**, timeless designs; and combines a new seating piece from Domkapa's most recent collection: Anna Chair.

Anna Chair is **nothing but ordinary**. It was designed especially for professionals as it is perfect for customization lovers and for the ones who love it being *au naturel* (the standard versions are a great choice for every style).

As you can see, the result will always be a dining room with splashes of colour and **modern** gestures turning your space into a homely one, as it should be. If you wish for an outcome like this, then this dining chair will do the trick for you.

Anna is the solution for those who love adventurous but simple designs, it is for those who love to express their personality through creativity wishing to have a unique interior - it allows endless customization options exactly for **limitless results**.

Different ideas and experiences from our designers were brought together which gave life to Anna. This mature awareness process made us conquer perfection leading us to the true meaning of **comfort** for memorable moments.

This dining chair is carefully conceived by hand so we can enhance every dining experience in your space. Even with a simple design, it is surely a statement piece giving a life purpose to your dining room for its modern approach with **classic lines**. Anna embodies **remarkable craftsmanship** through production techniques like no other.

Anna Chair is available in four distinct versions: two options for armrest customization (*with or without armrest*) as well as two customization options for the base (*four legs or a sled base*). Concerning the base, you can choose a wooden or metallic finish. Meanwhile, the upholstered seat and backrest can also be customized with contrasting fabrics.
