CELEBRATING DESIGN IN A LOUNGE AREA

domkapa.com | info@domkapa.pt

The good weather is coming and, with it, a **summer infusion** breaks the room to make us want to celebrate this lovely gold dust. These radiant, warming hues injected into an interior design project will change the whole vibe of the space for the better and that is how you are going to feel after enjoying this lounge area made with Louise Family.

This broken-plan living is all about the clever use of space, using it in an inventing way through optimistic shades seeking to find cherished moments with friends and family in a lounge area with a small but gleeful. So if you're in the mood for a cosy night in, this article is not the most adequate for you. This is how you can party with your loved ones in style. The music starts... now!

This lounge area has the opportunity to present the refined taste of the **Louise Family**. Providing a very sophisticated personality, this family is composed of a chair, a bar chair and a counter stool for the most demanding needs. A gorgeous gift was given by Domkapa's design team.

Starting with the smallest one, Louise Chair is joy and a strong statement of comfort. It exhales confidence and character allied to simple lines.

The back and seat are fully upholstered for a relaxing experience while the wooden legs finish the **exquisiteness of the design**. The slightly curvy back will assure a cosy experience with a daring design including golden nails.

Its simple yet sophisticated lines match any decor and enhance the room.

We know: you are imagining that you're seated on Louise Chair, right? That is the kind of effect we want to transmit in every detail of Domkapa's collection.

Try Louise Bar Chair, recover from the chaos of everyday life and dive into this lounge area. Enjoy a delicious drink and let your feelings control you. This safe space is only possible with the curvature of this marvellous yet simple design piece.

Its round edges, completed by golden nails, will satisfy the desire for a happy place as the welcoming trend proclaims; and its simple lines are responsible for the juicy flavour, perfect to get stuck into the brighter season. A truly timeless sensation being the major player in 2022 for a sustainable summer.

We said Louise, the sweetest girl. And the emotions delivered by this lounge area will swirl.
