DOMKAPA AT MAISON ET OBJET

domkapa.com | info@domkapa.pt

Located in Paris, **Maison Et Objet** is one of the most important European trade shows in the world of design exhibiting several brands along four days full of knowledge and ideas – but not just that!

Maison Et Objet offers conferences where *trends, advancements* (especially in technology), *business development*, and *merchandising* are discussed in an interesting way – it allows us to understand how the market is changing and how we can fulfill the needs of those who are looking for us.

One of the main exhibitors of this edition will be Domkapa.

Based in Northern Portugal, **Domkapa** is an upholstery specialized brand established in 2009 that values the combination of four main elements: *manual sewing techniques, high design solutions, comfort, and high-quality materials.*

A tremendous passion for **detailed stitching** brought us a long and fruitful path, full of *experience* and *achievements*. **Domkapa** challenges its team to create the perfect daily meeting between design and comfort in each piece of the brand's collections.

From hulls to straps, down to the smallest detail, all materials used in the production of these pieces are **100% Portuguese**. We pride ourselves on local production, supporting small suppliers, and therefore boosting the entire regional and national economy.

The result? Products carefully designed and produced by an expert team, with undeniable quality that survives the test of time.

Our identity is present in every detail of our designs and that's why we can't pass this opportunity to participate in this promising design event.

Much more than inspiration, you will find **upholstery solutions** for your interior design projects look perfect, such as:

Juliet Sofa

Juliet Sofa was brought to the world for an *endless comfort* demanding. Characterized by a soft curvature and balanced proportions, Juliet's design was inspired by a concept of *elegance, comfort, and intimacy* supported by a subtle backrest and elegant armrests.

Alexander Armchair

Alexander should be the final ingredient to a relaxing interior design project. Alexander welcoming armchair is the perfect example of a modern piece with a traditional influence thanks to its powerful and embracing structure with a high-back connected with a seat cushion and a swivel base.

This timeless armchair coordinates perfectly its materials in a **one-of-a-kind piece**.
